Dear Mr. Jones:

We are pleased to inform you that your application for MBE certification with the St. Louis Minority Business Council has been approved.

We would like to welcome you and your company to the Council, and look forward to your support and participation in all of our programs during the upcoming year. Your firm's commodity/service will be listed on our website directory.

Please be advised that re-certification is required annually. The enclosed certificate expires **January 31, 2008**. It is the obligation of your firm to apply for re-certification before your certificate expiration date. It is management's responsibility to notify SLMBC immediately of any change in status, location, legal structure or operation of your company within the next fourteen (14) months. Failure to do so could result in **de-certification**.

Best wishes for a profitable year.

Sincerely,

James B. Webb
President
